INFORMATION DISCLOSURE STATEMENT

Commissioner of Patents  
and Trademarks  
Washington, D.C. 20231

Sir:

Applicant's attorney wishes to formally make of record the following references.

Applicant(s) submits patents, publications or other information of which they are aware, which they believe may be material to the examination of the above-identified application, and in respect of which there may be a duty to disclose in accordance with Rule 56 (i.e., 37 CFR §1.56).

While the subject matter referred to within this Information Disclosure Statement may be "material" pursuant to Rule 56, it is not intended to constitute an admission that any

patent, publication or other information referred to herein is "prior art" for the present invention, unless specifically designated as such. In accordance with Section (b) of Rule 97 (i.e., 37 CFR §1.97(b)), the filing of this Information Disclosure Statement shall not be construed to mean that a search has been made, nor shall the same be construed to mean that no other "material information", as defined in Rule 56(a), exists. All patents, publications or other information referenced herein are set forth on the attached page of Form PTO-1449. None of the cited references are believed to be a bar to patentability of the invention as presently claimed.

Respectfully submitted,

Curtis O. Kahleck, Steven D. Riedel and  
Thomas D. Correll

By their attorneys,
